Organizational knowledge management
Brand-building
Creative leadership

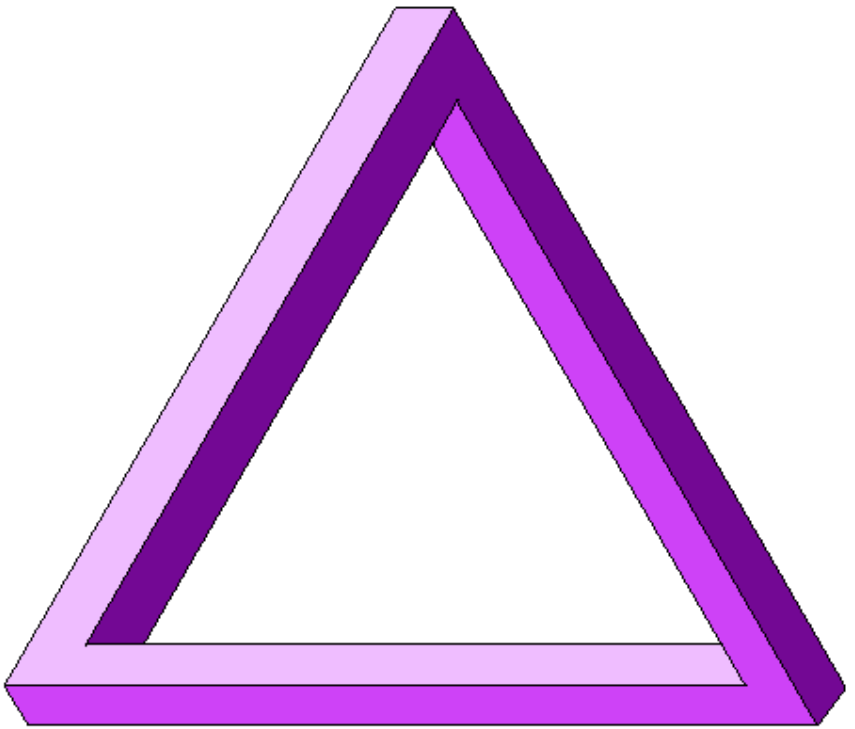
Strategy

Different levels

- **Individual level (progression)**
- **Team level (mentoring)**
- **Organizational level (PLC)**
- **Supporting system (online trainings, Teachers' Club/Day, mentoring)**

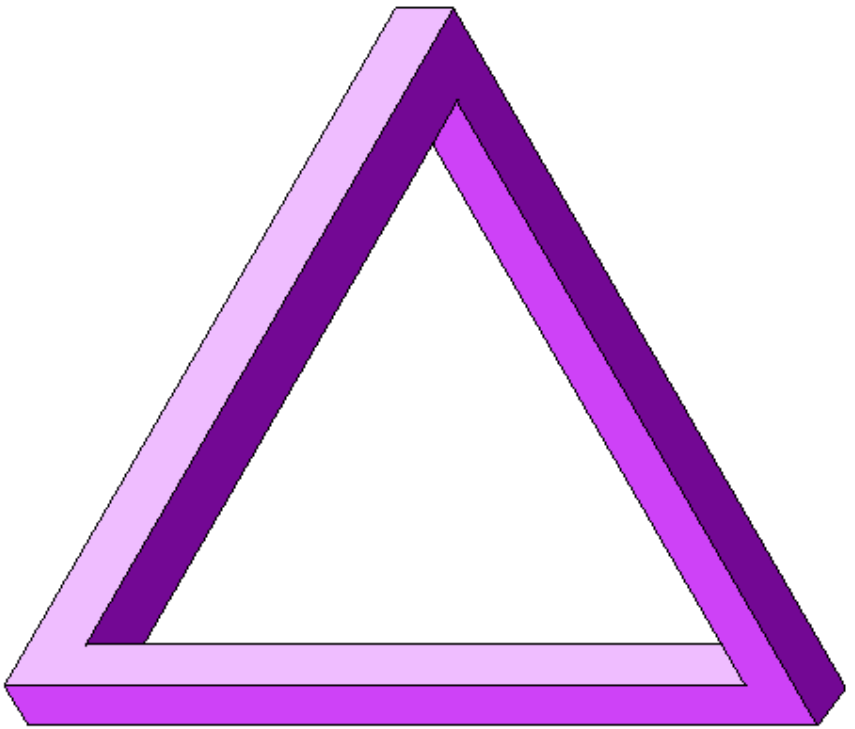
Conclusion

- Mindset
- Methodology
- Technology



Conclusion 2.

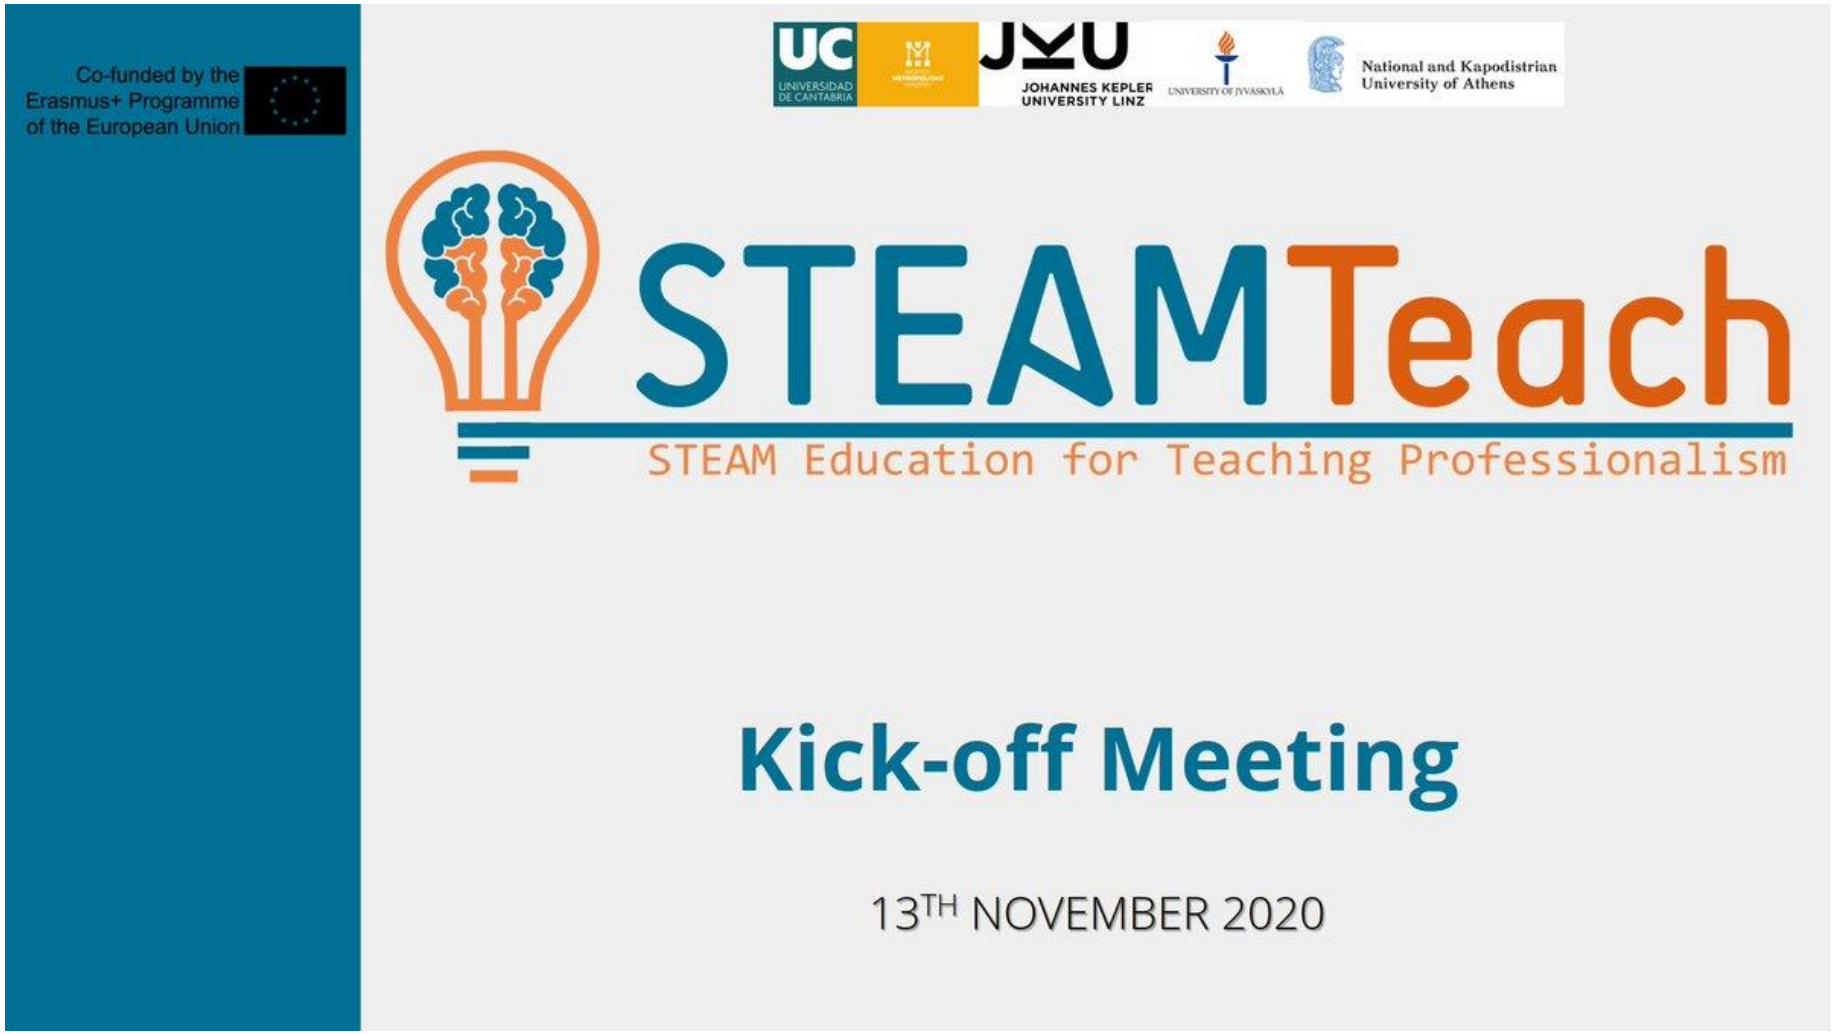
- Research
- Development
- Innovation



FORESIGHT Project

This project is about improving the link between higher education and employers (profit and non-profit), thereby increasing the fit between the skills of students and the needs of employers.

Foresight is the study (= Futures Research) on possible, probable and preferable futures.



STEAM approach

LINGO PLUS - ALLIANCE FOR MULTILINGUAL AND MULTICULTURAL COMPETENCES FOR TEACHERS

To develop multilingualism competencies emphasising their social role in terms of employability, social relations and tolerance towards other cultures.

Thank you for your attention!
