IRELAND 2020-2025

Southeast Asia Coordinator: Inputs

(updated August 2024)

Suwithida Charungkaittikul

Rialtas na hÉireann
Government of Ireland

Asia-Europe Meeting

Hosted by University College Cork, Ireland <https://asemllhub.org/>

Achievements

- ✓ **Invited members** for the ASEM LLL (7) Hubs from both Asia-Pacific and Europe
- ✓ **Lunched the Project Digital Lifelong Learning Solutions for All** “*Chula MOOC Flexi: An Innovative and Flexible Learning Platform that Promotes Comprehensive Lifelong Learning*”, a new Digital Lifelong Learning Solutions initiative designed for flexible credit accumulation on August 29, 2024, Chulalongkorn University, Bangkok, Thailand.
 - ✓ This self-paced online learning through the **Chula Neuron** platform, allows learners to adjust their schedules and choices to suit their needs, catering to the skills of the future and promoting digital knowledge and skills among all learners, including students, university staff, and individuals interested in developing digital competencies and it offers 28 courses and 8 general education modules. Those interested can register for courses under the Chula MOOC Flexi program and find more information at <https://cuneuron.chula.ac.th/cumooc-flexi>
- ✓ **Shared idea at the conferences**
 - ✓ **September 19th, 2024**, joined the International Learning City-Region Talks, Learning Cities Learning from Each Other, delivered the talk on the topic of “Current practices and the future strategies to create more lifelong learning cities in Thailand”
 - ✓ **September 13th, 2024**, delivered talk on “Strategies to promote lifelong learning using digital technologies”, invited by the Office of the Education Council Secretariat, Thailand, at a seminar to listen to opinions and suggestions for developing learning management standards using digital technology at the basic education level at the Pinklao Room, SD Avenue Hotel, Bangkok.
 - ✓ **March 1st, 2024**, delivered the talk on “Roles of Higher Education (Universities) to Promote Sustainable Lifelong Learning”, organized by Indian Federation of University Women's Associations (IFUWA), PUNE, India “Sustainable Future
- ✓ **Working on the research project** “Implementation of Lifelong Learning in Southeast Asia (Cambodia, Lao PDR, Vietnam and Thailand)”, sponsor by DVV International

Next Activities

- ❖ **Host the KM Forum, 2024** “Flexible & Inclusive Learning by multi-sectoral collaboration on area-based”, on 3-4 October 2024 at Amari Hotel, Don Mueang District, Bangkok, Thailand. The aim is to encourage the local cities to realize and know how to develop sustainable learning city
- ❖ **Organize a public lecture** to enhance lifelong learning mindset for people in the region, on the 4th October 2024.
